

**WWII: General PETS**

These are PETS you need to be familiar with as you study WWII. These may or may not be mentioned in your textbook. You are still responsible for them. Most will be mentioned in class. I am including them up front before your textbooks section PETS. I have tried not to duplicate items, but I may have missed a few. I suggest printing this list and using it along with your regular PETS as you read each section.
